

Corriculum Vitae  
**Mohammad Ghahri**

**1- Personnel Identification**

First Name: Mohammad

Family name: Ghahri

BD: 23 Nov 1959

Affiliation Address:

1- Assistant Professor (Retired of Scientific staff). Department of Biology – Faculty of Basic Sciences-  
Imam Hossein University – Tehran –IRAN.

2- Laboratory Manager in Farabi Medical Laboratory- Ardabil-IRAN

Tel.: +98 4533231137

Home Address: Unit 3- No. 31 – Meydane 44- Narmak- Tehran – IRAN

Tel.: +98 21 77450340

Postal Code: 1649654948 Cell phone: +98 912 150 6542

Email Address: [ghahri14@gmail.com](mailto:ghahri14@gmail.com)

Last updated: Jan 14 2025

**3- History of Academic teaching in following courses:**

Medical Mycology

Medical Protozoology

Family Planning

**My special interest: Medical & Clinical Mycology**

**4- University (Academic) Courses:**

University Course	Country	City	University	degree	Group	Year
-------------------	---------	------	------------	--------	-------	------

Laboratory Science	IRAN	Tehran	Shahid Beheshti University of Medical Sciences	B Sc.	Medical	۱۹۸۵
Medical Mycology	IRAN	Tehran	Tehran University of Medical Sciences	M Sc.	Medical	۱۹۸۹
Laboratory Medicine	IRAN	Tehran	Shahid Beheshti University of Medical Sciences	MD	Medical	۱۹۹۴
Medical Mycology	IRAN	Tehran	Tarbiat Modares University	PhD	Medical	۲۰۱۰

#### 5- Postgraduate Thesis

Thesis title	Academic Course	Supervisor Professor
Study of Fungal infections in War-wounded and Chemical-gas damaged soldiers in Iraq- Iran War.	M Sc	Masood Imami (PhD)
Primitive study of chronic fungal sinusitis in Tehran.	MD	Manootchehr Asgari (PhD)
Study of genetic variation in <i>C. albicans</i> strains isolated from different clinical specimens in Tehran.	PhD	Hossein Mirhendi (PhD)

#### 6- Membership in National/ International Societies

Natinal & International Associations (name)	Membership (date)
ISHAM	From 2011 untill 2012
Italy Mycotoxicology Association	Since 2005 untill 2010
Association of General Microbiology of UK	2005 and 2006
Iranian Ashtma and Allergy Association	From 1990 untill 2005
Iranian Association of Medical Mycology	Since 2011
Iranian Association of Medical Laboratory Doctora's	Since 1990

#### 7- Published Books (in Persian language)

- 1- Translated to farsi by Poostindooz A H., Ghahri M, and Djavan A. "Laboratory samples: from patient to laboratory". Shayan Nemoodar Pub. Tehran, IRAN. 2001
- 2- Soroory R., Ghahri M. "Population, Family Planning and Reproductive Health Care". Imam Hossein University Pub. Tehran, IRAN. 2005
- 3- Ghahri M., Mobasherizadeh S. "A Comprehensive Atlas of Clinical Laboratory". Tankit Pub. Tehran, IRAN. 2010
- 4- Ghahri M., Roohi S. "Microbial agents causing damages on Library materials". Iran National Library publication. 2012

#### 8- Published papers in Academic journals

Ghahri M. , Imami M., Babae GH. “ Identification of yeast species in the oral cavity of Iranian soldiers by disk diffusion method”. Med J of The Islamic Republic of Iran. Vol:21 No.4 P:209-14 . 2008

Imami,M., Ghahri,M. : Prevalence of Pityriasis Versicolor in war-wounded and chemical (Mustard) gas-wounded patients in Iran-Iraq war. Med J of the Islamic Republic of Iran. Vol 4 No:1 . 1990. P: 9-11

And about 8 Farsi papers published in Persian(National) journals

#### 9- Published papers in Scientific journals

Year	Page	Issue No	V	Journal	Titer	Authors
2012	651-656	3	2	European Journal of Experimental Biology	Identification of Candida spp Screened from Catheter using patients with PCR-RFLP method	Ghahri M., Farasat A., Mirhendi H., Beyraghi S.
2012	297-306	6	4	Advanced Studies in Biology	Morphological and Molecular Characteristics of Candida pulcherrima, an Opportunistic Yeast, Isolated from Nail Lesions in Iran	Ghahri M., Farasat A., Mirhendi H., Beyraghi S.
2013		3	8	Arch Clin Infect Dis	Identification and Antifungal Susceptibility Patterns of Candida Strains Isolated From Blood Specimens in Iran	Mohammad Ghahri-Hossein Mirhendi-Kamyar Zomorodian- Nahid Kondori
2012	3986 - 3992	17	11	African Journal of Biotechnology	Loop mediated isothermal Amplification (LAMP) in diagnosis of neorocryptococcosis	Rezaee A R., Shahhosseiny M H., Yousefi J V., Ghahri M.
2013		7-1		Medical Mycology	Molecular identification and distribution profile of Candida species isolated from Iranian Patients	Rasoul Mohammadi-Ali Rezaee matekalaee-Hossein Mirhendi-Mohammad Ghahri & others
2014	355-361	2	14	Biochem. Cell. Arch.	Multiplex PCR Diagnosis of Aspergillus parasiticus and Aspergillus flavus in Respiratory Samples in Tuberculosis Suspicious Bronchoalveolar Lavage (BAL)	Nahid Perdrum- M. H. Shahhosseiny- M. Ghahri- Mansour Bayat- Saeed Bokae

2015	3-8	1	2	J of Mycol Res	In Vitro Antifungal Activity of <i>Zataria multiflora</i> Essential Oil, Fluconazole and Ciclopirox Olamine against <i>ono-albicans</i> <i>Candida</i> Species Isolated from Recurrent Volvovaginal Candidiasis	Mohammad Ali Esfandiary, S Mahmoudi, F Zeini, M Safara, M Mahmoudi, A farasat, A sabokbar, S Abbasi, M Ghahri, M A Esfandiary, P Kordbacheh
2018	88-91	2	35	Rev Iberoam Micol	Drug Susceptibility Profile of <i>Candida glabrata</i> Clinical Isolates from Iran and Genetic Resistant Mechanisms to Caspofungin	Saied Amanloo, Masoomesh Shams Ghahfarokhi, Mohammad Ghahri, Mehdi Razzaghi Abyaneh
2018	207-15		56	Medical Mycology	Genotyping of Clinical Isolates of <i>Candida glabrata</i> from Iran by Multilocus Sequence Typing and Determination of Population Structure and Drug Resistance Profile	Saied Amanloo, Masoomesh Shams Ghahfarokhi, Mohammad Ghahri, Mehdi Razzaghi Abyaneh
2016	1-4		5	Advanced Biomedical Research	Sequence-identification of <i>Candida</i> species isolated from candidemia	Naeimeh Fathi1, Rasoul Mohammadi1, Mohammad Amin Tabatabaiefar, Mohammad Ghahri, Seyedeh Zahra Sadrossadati
2018	12-18	2	4	Current Medical Mycology	Etiologic Agents of Candidemia in Patients Admitted to Hospitals of Tehran, Iran, during 2014-2017 Using Phenotypic and Genotypic Methods	Seyedeh Zahra Sadrossadati1, Mohammad Ghahri, Abbas Ali Imani Fooladi, Shirin Sayyahfar, Sedigheh Beyraghi5, Zohre Baseri
