Postion: Full Professor of Clinical Immunology

School of Medicine, Tehran University of Medical Sciences

Address: Children's Medical Center Hospital,

Dr. Qarib St, Keshavarz Blvd,

Tehran 14194, Iran

Tel: +98 21 6657 6573

Fax: +98 21 6692 9235

Updated: January 2025

BRIEF CV

Education:

M.D. (1995–2002) School of Medicine, Tehran University of Medical Sciences
M.Sc. (2005–2006), School of Medicine and Biomedical Sciences, The University of Sheffield
Ph.D. (2006–2009), School of Medicine and Biomedical Sciences, The University of Sheffield

Training:

2009 Paediatric Immunology and Infectious Diseases & BMT Unit, Newcastle General Hospital, Newcastle upon Tyne, UK (fellowship, awarded by the ESID)

Membership:

Members of more than 10 professional societies, including international societies such as EAACI, ESID, AAAAI, FOCIS, ERS, ISID, MPS; and also National Foundation Elite

Executive Activities:

Founder of Universal Scientific Education and Research Network (USERN)
Co-Founder and Head of the Research Center for Immunodeficiencies
Editorial Assistant of several national and international journals
Executive Manager of several national congresses
Co-Founder and Head of the Iranian Primary Immunodeficiency Registry
Co-Instructor and President of Iranian Primary Immunodeficiency Association
Vice Dean of Research, School of Medicine, TUMS

Awards and Honors:

Distinctive Researcher in Basic Sciences in the 12th and 18th and 30th Razi Research Festivals on Medical Sciences
Distinctive Editor and Young Researcher in the 10th and 13th Avicenna Festivals, respectively
Short-term Fellowship Award from the ESID in Paediatric Immunology and Infectious Diseases & Bone Marrow Transplant Unit in Newcastle General Hospital, UK
The AAAAI Young Investigator Award
Distinctive Medical Student Researcher, Tehran University of Medical Sciences
Distinctive Student in the University of Sheffield
Receiving several grants from international societies (EAACI, ERS, EHA, ESID, IUIS, CIS)
Receiving Honor Fellow Travel from the British Society of Cell Biology (BSCB)

Research Grants:

PI of more than 100 research projects in Tehran University of Medical Sciences
Designing and Collaborating in several international collaborative projects

Periodicals:

Editorial assistant or board member of more than 30 other international journals

Books:

Editor-in-Chief of the books, Primary Immunodeficiency Diseases: Definition, Diagnosis and Management (Springer 2008 and 2017), Cancer Immunology Series (3 volumes, Springer 2015); and Editor of 100 other scientific books

Podium Presentations:

Presentation of more than 450 lectures/posters in international and national congresses

Articles:

Publication of more than 1500 articles in the international scientific journals (H-index: 100)

EDUCATION

- 1995 – 2002 M.D.; Medical Doctor
School of Medicine, Tehran University of Medical Sciences and Health
Services, Tehran, Iran
- 2005 – 2006 M.Sc.; Molecular and Genetic Medicine
Division of Genomic Medicine, School of Medicine and Biomedical Sciences,
The University of Sheffield, UK
- 2006 – 2009 Ph.D.; Clinical Immunology and Human Genetics
Department of Infection and Immunity, School of Medicine and Biomedical
Sciences, The University of Sheffield, UK
- 2009 Fellowship; Clinical Immunology and Bone Marrow Transplantation Paediatric
Immunology and Infectious Diseases & Northern Supra Regional Bone Marrow
Transplant Unit for SCID and Related Disorders, Newcastle General Hospital,
Newcastle upon Tyne, UK (Short-term fellowship, awarded by the ESID)
- 2013 Medical Education Short Course; Educational Development Center, Tehran
University of Medical Education, Tehran, Iran
- 2012 – 2014 mini MBA; Health Administration and Hospital Management
Hospital Management Research Center, Tehran University of Medical
Sciences, Tehran, Iran
- 2016 Visiting Scientist; Allergy and Immunology, Boston Children's Hospital,
Harvard Medical School, Boston, MA, USA
- 2016 – now Visiting Scientist; Karolinska Institutet, Stockholm, Sweden
- 2019 – now Visiting Scientist; University of Southampton, Southampton, UK

SCIENTIFIC VISITS

June 2005 Division of Rheumatology and Clinical Immunology, University Hospital Freiburg, Freiburg, Germany

June 2005 Division of Immunopathology, Medical University of Vienna, Vienna, Austria

May 2007 Department of Immunology, 2nd Medical School Charles University and University Hospital Motol, Prague, Czech Republic

May 2011 The Laboratory of Host Defenses, and the Genetic Immunotherapy Section, National Institute of Allergy and Infectious Diseases, National Institutes of Health, Bethesda, MD, USA

May 2011 Division of Immunology, and the Jeffrey Modell Endowed Chair of Immunology, Children's Hospital of Philadelphia, School of Medicine, University of Pennsylvania, Philadelphia, PA, USA

May 2011 Division of Immunology, and the Jeffrey Modell Immunology Center at Harvard, Children's Hospital Boston, Harvard Medical School, Boston, MA, USA

June 2011 St. Giles Laboratory of Human Genetics of Infectious Diseases, The Rockefeller University, New York, NY, USA

June 2011 Center for Immunity and Immunotherapies, and the Jeffrey Modell Chair of Pediatric Immunology Research, Seattle Children's Research Institute, University of Washington, Seattle, WA, USA

June 2011 Type I Diabetes Center, La Jolla Institute for Allergy and Immunology, La Jolla, CA, USA

January 2012 The Pediatric Department, Children's University Hospital Bratislava, Comenius University Medical Faculty, Bratislava, Slovak Republic

January 2012 Ce-M-M- Research Center for Molecular Medicine of the Austrian Academy of Sciences, Vienna, Austria

January 2012 Department of Pathophysiology and Allergy Research Center for Pathophysiology, Infectology and Immunology, Medical University of Vienna, Vienna, Austria

June 2012 Department of Pathology and Immunology, Geneva Medical Faculty, University of Geneva; and the Department of Genetic and Laboratory Medicine, Geneva University Hospitals, Geneva, Switzerland

June 2012 The San Raffaele Telethon Institute for Gene Therapy HSR-TIGET, Milan, Italy

June 2012 The Children's Memorial Health Institute, Warsaw, Poland

June 2012 Department of Immunology-Histocompatibility, and Specific Center & Referral
Center for Primary Immunodeficiencies – Paediatric Immunology, "Aghia Sophia"
Children's Hospital, Athens, Greece

May 2013 Pediatric Infectious Diseases, and Center for Infectious Diseases Research,
American University of Beirut, Beirut, Lebanon

February 2014 Gene Therapy Laboratory, Universidad Austral, Buenos Aires, Argentina

February 2014 Division of Allergy, Clinical Immunology and Rheumatology, Department of
Pediatrics, Federal University of São Paulo, and Jeffrey Modell Diagnostic and
Research Center in São Paulo, São Paulo, Brazil

February 2014 Center of Human Immunology, Institute of Biomedical Sciences, University of
São Paulo, São Paulo, Brazil

February 2014 Immunology, Allergy & Rheumatology, and The Center for Human
Immunobiology, Texas Children's Hospital, Baylor College of Medicine, Houston, TX,
USA

March 2014 Department of Pediatrics, and Emory Vaccine Center, School of Medicine,
Emory University, Atlanta, GA, USA

December 2014 The Laboratory of Research, and Department of Immunology, Institut
Pasteur de Tunis, Tunis

December 2014 Al-Bashir Hamzeh Children's Hospital, Faculty of Medicine,
University of Tunis, Tunis

December 2014 Casablanca Children's Hospital, and Faculty of Medicine, Universite
Hassan II Casablanca, Casablanca, Morocco

February 2015 Division of Pediatric Allergy/Immunology, Marmara University Hospital,
Marmara University, Istanbul, Turkey

April 2015 Belarusian State Medical University, Minsk Region, Belarus

April 2015 The Belarusian National Research Center for Pediatric Oncology,
Hematology and Immunology, Minsk, Belarus

October 2015 State Key Laboratory of Agrobiotechnology, China Agricultural University,
Beijing, China

January 2016 Tajikistan National Medical Center, Dushanbe, Tajikistan

August 2016 Boston Children's Hospital, Harvard Medical School, Boston, MA, USA

August 2016 Massachusetts General Hospital, Harvard Medical School, Boston, MA, USA

August 2016 Dana-Farber Cancer Institute, Harvard Medical School, Boston, MA, USA

August 2016 Massachusetts Institute of Technology (MIT), Boston, MA, USA

August 2016 Schepens Eye Research Institute, Harvard Medical School, Boston, MA, USA

August 2016 Brigham and Women's Hospital, Boston, MA, USA

August 2016 National Institute of Health (NIH), Bethesda, MD, USA

August 2016 Stanford University School of Medicine, Stanford, CA, USA

August 2016 Stanford Medical Center, Stanford, CA, USA

September 2016 Semmelweis University, Budapest, Hungary

December 2016 Kyiv's Municipal Children's Hospital, Kiev, Ukraine

December 2016 Kharkiv National Medical University, Kharkiv, Ukraine

February 2017 University of Maribor, Maribor, Slovenia

February 2017 Alma Mater Europaea, Maribor, Slovenia

March 2017 University of Ljubljana, Maribor, Slovenia

August 2017 Faculty of Medicine, Chulalongkorn University, Bangkok, Thailand

August 2017 Faculty of Medicine, Mahidol University, Bangkok, Thailand

September 2017 Section for Immunology and Rheumatology, The Queen Silvia Children's, Hospital, University of Gothenburg, Gothenburg, Sweden

October 2017 National Institute of Pediatrics, Mexico City, Mexico

November 2017 Kharkiv National Medical University, Kharkiv, Ukraine

November 2017 V.N. Karazin Kharkiv National University, Kharkiv, Ukraine

October 2018 Russian-Armenian University, Yerevan, Armenia

November 2018 The Queen Silvia Children's, Hospital, University of Gothenburg, Gothenburg, Sweden

November 2018 Ce-M-M- Research Center for Molecular Medicine, Vienna, Austria

November 2018 University Mediterranea of Reggio Calabria, Reggio Calabria, Italy

November 2018 University of Turin, Turin, Italy

February 2019 Panjab University, Chandigarh, India

February 2019 Post Graduate Institute of Medical Education & Research (PGIMER), Chandigarh, India

February 2019 Mehr Chand Mahajan DAV College for Women, Chandigarh, India

March 2019 Karolinska Institutet, Stockholm, Sweden

May 2019 Azerbaijan Medical University, Baku, Azerbaijan

November 2019 Semmelweis University, Budapest, Hungary

December 2019 Selçuk Üniversitesi, Konya, Turkey

November 2021 Marmara University, Yerevan, Armenia

May 2022 Yerevan Medical State University, Yerevan, Armenia

May 2022 National Institute of Health, Yerevan, Armenia

May 2022 Pediatric Cancer and Blood Disorders Center of Armenia, Yerevan, Armenia

July 2022 Akkon University of Human Sciences, Berlin, Germany

August 2022 University of Lithuania, Vilnius, Lithuania

August 2022 Imagine Institute of Genetic Diseases, Paris, France

August 2022 University of Toronto, Toronto, Canada

August 2022 The Hospital for Sick Children (SickKids), Toronto, Canada

November 2022 Sultan Qaboos University, Muscat, Oman

May 2023 Sidra Medical and Research Center, Doha, Qatar

May 2023 Qatar University, Doha, Qatar

AFFILIATIONS

- 1995 - 1998 Students' Scientific Research Center, School of Medicine, Tehran University of Medical Sciences, Tehran, Iran
- 1998 - 2002 Children's Medical Center, Tehran University of Medical Sciences, Tehran, Iran
(In collaboration with Department of Clinical Immunology and Allergy)
- 2002 - 2009 Immunology, Asthma and Allergy Research Institute, Tehran University of Medical Sciences, Tehran, Iran
- 2005 - 2009 Department of Infection and Immunity, School of Medicine and Biomedical Sciences, The University of Sheffield, Sheffield, UK
- 2009 - 2010 Growth and Development Research Center; and Pediatrics Center of Excellence, Children's Medical Center, Tehran University of Medical Sciences, Tehran, Iran
- 2009 - 2018 Honorary Associate Staff: Department of Infection & Immunity, School of Medicine and Biomedical Sciences, The University of Sheffield, Sheffield, UK
- 2010 - 2018 Molecular Immunology Research Center, Tehran University of Medical Sciences, Tehran, Iran
-
- 2010 - now Department of Immunology, School of Medicine, Tehran University of Medical Sciences, Tehran, Iran
- 2010 - now Research Center for Immunodeficiencies, Pediatrics Center of Excellence, Children's Medical Center, Tehran University of Medical Sciences, Tehran, Iran
- 2015 - now Universal Scientific Education and Research Network (USERN)
- 2016 – now Karolinska Institutet, Stockholm, Sweden
- 2019 – now University of Southampton, Southampton, UK

MEMBERSHIP IN PROFESSIONAL SOCIETIES

2016 - 2025 Association for Cancer Immunotherapy (CIMT)
2018 - 2025 European Academy of Sciences and Arts
2002 - 2025 European Academy of Allergy and Clinical Immunology (EAACI)
2004 - 2025 European Society of Immunodeficiency (ESID)
2004 - 2025 International Society for Infectious Diseases (ISID)
2010 - 2025 American Academy of Allergy, Asthma & Immunology (AAAAI)
2010 - 2025 European Respiratory Society (ERS)
2012 - 2025 World Allergy Organization (WAO)
2011 - 2025 The New York Academy of Sciences
2013 - 2025 Clinical Immunology Society (CIS)
2016 - 2025 Federation of Clinical Immunology Societies (FOCIS)
2010 - 2025 Human Variome Project Consortoium
2010 - 2025 Geneva Foundation for Medical Education and Research
2007 - 2025 Medical Protection Society (MPS, UK)
2004 - 2025 Iranian Society of Immunology and Allergy (ISIA)
2003 - 2025 Iranian Primary Immunodeficiency Association (IPiA)
2007 - 2025 National Foundation Elite
2007 - 2025 Iranian Cochrane Informal Network (ICInet)
2007 - 2025 Iranian Molecular Medicine Network
2007 - 2025 Iranian Genetic Society
2009 - 2025 Iranian Clinical Genetics
European Hematological Association (EHA, 2004)
The Biochemical Society (2006)
British Society for Cell Biology (BSCB, 2008)

AWARDS AND HONORS

- 2001 Honor student, Tehran University of Medical Sciences
- 2001 Gold sponsorship from the European Respiratory Society (ERS) for the presented articles, based on the scientific quality of the article
- 2002 Travel grant from the European Academy of Allergology and Clinical Immunology (EAACI) for the presented articles
- 2003 The best research project "Iranian PID Registry" in the 4th Avicenna Festival
- 2004 Travel grant from the European Hematology Association (EHA) for the presented article, based on the scientific quality of the article
- 2004 W.B. Educational grant from the European Society for Immunodeficiencies (ESID)
- 2005 Travel grant from the European Academy of Allergology and Clinical Immunology (EAACI) for the presented articles
- 2006 The IBC Leading Health Professionals of the World 2006
- 2006 Distinctive Researcher in Basic Sciences in the 12th Razi Research Festival on Medical Sciences
- 2007 Distinctive Researcher; Tehran University of Medical Sciences
- 2007 The best national Journal of the year "Iranian Journal of Allergy, Asthma and Immunology" in the 8th Avicenna Festival
- 2007 Distinctive, National Youth Talent, National Foundation Elite
- 2007 Distinctive Student in M.Sc. Molecular and Genetic Medicine; Division of Genomic Medicine, School of Medicine and Biomedical Sciences, the University of Sheffield, UK
- 2008 Honor Fellow Travel award from the British Society of Cell Biology (BSCB)
- 2009 The best book of the year "Primary Immunodeficiency Diseases" in the 10th Avicenna Festival
- 2009 European Society of Clinical Microbiology and Infectious Diseases (ESCMID) grant, 19th European Congress of Clinical Microbiology and Infectious Diseases (ECCMID)
- 2009 Short-term fellowship award from the European Society for Immunodeficiencies (ESID) in Paediatric Immunology and Infectious Diseases & Bone Marrow Transplant Unit in Newcastle General Hospital, UK
- 2010 The best lecture award during the 10th International Congress of Immunology and Allergy
- 2010 Travel Bursary from the International Union of Immunological Societies (IUIS)
- 2010 ESID (European Society for Immunodeficiencies) Juniors Award 2010 for the activities in the ESID Juniors Working Party
- 2010 Junior Scientist in Clinical Medicine Award Winner 2010 International Professor Dr. Alireza Yalda Foundation

- 2011 AAAAI (American Academy of Allergy, Asthma and Immunology) In-Training Member International Travel Grant Scholarship
- 2011 CIS (Clinical Immunology Society) Travel Grant for the Advanced School in Primary Immune Deficiency
- 2012 The Best Junior Scientist in Basic Sciences in the 13th Avicenna Festival
- 2012 The 3rd Rank of the Best Article in Basic Sciences in the 2012 Festival of the National Academy of Medical Sciences
- 2012 One of the Best 10 Scientists of the Country in the Last Decade (2002-2011) in the 2012 Festival of the National Academy of Medical Sciences
- 2013 Distinctive Researcher in Basic Sciences in the 18th Razi Research Festival on Medical Sciences
- 2013 AAAAI (American Academy of Allergy, Asthma and Immunology) International Young Investigator Award
- 2014 The Best Ranking Newly Established Research Center (Research Center for Immunodeficiencies) in the 19th Razi Research Festival on Medical Sciences
- 2014 The 2nd Rank of the Best Article in Clinical Sciences in the 2014 Festival of the National Academy of Medical Sciences
- 2014 One of the Best 10 Scientists of the Country in the Last Decade (2004-2013) in the 2014 Festival of the National Academy of Medical Sciences
- 2014 WinMD Grant, by World Immunodeficiency Network, Jeffrey Modell Foundation
- 2014 Iran Young Scientist Scopus Award 2014, by Elsevier
- 2015 The Best Ranking Research Center (Research Center for Immunodeficiencies) in the 20th Razi Research Festival on Medical Sciences
- 2015 The best book of the year "Immunology of Aging" in the 16th Avicenna Festival
- 2016 The best book of the year "Cancer Immunology" in the 17th Avicenna Festival
- 2017 The best researcher in basic sciences of the year in the 18th Avicenna Festival
- 2017 The best researcher, 1st Research Festival of Children's Medical Center
- 2017 The best scientist of last decade of the country in medical sciences, Iranian Academy of Medical Sciences
- 2017 Distinguished Researcher, University of Tehran Science and Technology Festival
- 2019 The best National Researcher, 20th Abu Reyhan Biruni Research Festival
- 2021 The Best Ranking Research Center (Research Center for Immunodeficiencies) in the 27th Razi Research Festival on Medical Sciences
- 2021 The Best Scientist in the 60th Alborz Foundation Festival
- 2022 The Best Ranking Research Center (Research Center for Immunodeficiencies) in the 28th Razi Research Festival on Medical Sciences

EXECUTIVE ACTIVITIES

- 1995 – 1998 Student Scientific Research Center, affiliated to Tehran University of Medical Sciences
- Director of research division
- Director of conference division group
- Instructor of research and methodology workshops
- Director of research Consultant ward
- 1999 - 2007 Chief Executive of Iranian Primary Immunodeficiency Registry (IPIDR) database
- 2004 - 2012 Instructor and Board member of Iranian Primary Immunodeficiency Association
- 2004 - 2006 Executive Director of UNESCO Chair in Health Education, Tehran University of Medical Sciences
- 2002 – 2012 Instructor and Manager of Research and methodology workshops, Priority setting in medical research, Problem oriented research methodology workshops, Scientific writings, and Editing an academic book
- 2004 - 2009 Executive Manager of Iranian Journal of Allergy, Asthma and Immunology
- 2010 - 2015 Deputy Head of the Children's Medical Center Hospital, Pediatrics Center of Excellence in Iran
- 2010 - 2015 Chief Executive Director of the Children's Medical Center Hospital, Tehran University of Medical Sciences
- 2013 - 2015 Committee Member, Deputy of Culture and Talent Affairs, National Foundation Elite
- 2015 - 2017 Director of Global Academic Program (GAP), Tehran University of Medical Sciences
- 2015 - 2017 Chief Consultant of International Affairs, Vice Minister of Education, Ministry of Health and Medical Education
- 2010 - 2019 Co-Founder and Deputy President of Research Center for Immunodeficiencies, Tehran University of Medical Sciences
- 2019 - now Head of Research Center for Immunodeficiencies, Tehran University of Medical Sciences
- 2012 - now Founder and Leader of J Persia Daughter Project

- 2014 - now Co-Founder and Board Member of Charity for Patients with Primary Immunodeficiency Diseases
- 2014 - 2019 Member of the Committee of Innovation and Inventions in Basic Sciences, Deputy of Research and Technology, Ministry of Health and Medical Education
- 2014 - 2022 Founding President of Universal Scientific Education and Research Network (USERN)
- 2014 - now Founder and President of the Health and Art (HEART) Network
- 2015 - 2022 Associate Dean of International Affairs, School of Medicine, Tehran University of Medical Sciences
- 2021 - 2022 Vice Dean of Research, School of Medicine, Tehran University of Medical Sciences
- 2015 - 2019 Faculty Member of the Higher Council of The Students' Disciplinary Committee, Ministry of Health and Medical Education
- 2015 - 2021 Member of the Committee of Communicable Diseases and Immunological Disorders, National Institute of Medical Research Development (NIMAD), Deputy of Research and Technology, Ministry of Health and Medical Education
- 2015 - now Member of the Higher Council of TUMS Research Diploma (TUMS-RD), Tehran University of Medical Sciences
- 2016 - now Mentor of J PID Juniors, J Juniors, Eastern Europe and Central Asia
- 2016 - 2022 Member of Commission for Supporting Talent Students, Tehran University of Medical Sciences
- 2021 - now Scientific Secretary of National Committee of Students' Scientific Research and Technology Committees, Ministry of Health and Medical Education

CONGRESS ORGANIZER

2000	Collaborator and Member of Executive Managing Committee in 12 th International Congress of Pediatrics, Tehran, Iran
2002 - 2003	Collaborator and Member of Executive Managing Committee in First and Second Symposium of "Pouyandegan Elm and Danesh" in Research week, Tehran, Iran
2004 - 2005	Executive Manager and member of national scientific committee of the First International Congress on Immunodeficiency Disorders, Tehran, Iran
2004 - 2005	Member of executive committee of The 2 nd Iranian Asthma Meeting & The 5 th Biennial Seminar of Iranian Society of Asthma and Allergy, Tehran, Iran
2009	Member of executive committee of International Advanced Course in Clinical Immunology by IUIS, Tehran, Iran
2009	Member of organizing committee of International Pediatric Congress and Immunodeficiency Meeting (J Project), Tehran, Iran
2009	Member of organizing committee of 21 st International Congress of Pediatrics, Tehran University of Medical Sciences, Tehran, Iran
2009	Member of scientific committee of The 3 rd Iranian Asthma Meeting and The 7 th Biennial Seminar of Iranian Society of Asthma & Allergy, Tehran, Iran
2010	Executive Director of the 22 nd International Congress of Pediatrics, Tehran, Iran
2010	Scientific and Executive Director of the 3 rd Meeting on Clinical Immunology, Allergy and Immunodeficiencies, Tehran, Iran
2010	Executive Committee Member of 2 nd Symposium of Metabolic Diseases, Tehran, Iran
2010	Executive Director of the 3 rd Congress of Laboratory and Clinics (Pediatrics), Tehran, Iran
2011	Executive Director of the 23 rd International Congress of Pediatrics, Tehran, Iran
2011	Scientific and Executive Director of the 4 th Meeting on Clinical Immunology and Immunodeficiencies, Tehran, Iran
2011	Director of "Challenges and Opportunitis in the Health System" and "The Role of Talents in the Health System" Panles in the 5 th Congress of Naional Foundation Elite, Tehran, Iran
2011	Congress Manager of the 2 nd International Congress of International Prof. Dr. Alireza Yalda Academic Foundation in Medical Sciences, Tehran, Iran
2012	Scientific and Executive Director of the World PI Week in Tehran, Iran
2012	Scientific Board Member of 11 th International Congress of Immunology and Allergy of Iran, Tehran, Iran
2012	Faculty member of the 31 st Annual Congress of the European Academy of Allergy and Clinical Immunology (EAACI), Geneva, Switzerland
2012	Scientific and Executive Director of the 5 th Meeting on Clinical Immunology and Immunodeficiencies, Tehran, Iran
2012	Executive Director of the 24 th International Congress of Pediatrics, Tehran, Iran
2013	Scientific Director of the 1 st MENA Immunodeficiency Meeting, Dubai, UAE

2013	Scientific and Executive Director of the 6 th Meeting on Clinical Immunology and Immunodeficiencies, Tehran, Iran
2013	Executive Director of the 25 th International Congress of Pediatrics, Tehran, Iran
2014	Scientific Committee Member of 100 th J Meeting on Primary Immunodeficiencies, Antalya, Turkey
2014	Scientific Committee Member of 12 th International Congress of Immunology and Allergy, Tehran, Iran
2014	Scientific Committee Member of the 2 nd MENA Immunodeficiency Meeting, Marrakesh, Morocco
2015	Scientific Committee Member of 1 st International and 5 th National Congress on Stem Cells, Tehran, Iran
2015	President of 1 st International Festival of Pediatric Patients' Paintings (IFPPP), Tehran, Iran
2015	Scientific Committee Member of the 3 rd Middle East Asia Asthma Allergy Immunology Congress (MEAAIC), Abu Dhabi, UAE
2016	Artistic Director of 4 th National Congress of Medical Ethics, Tehran, Iran
2016	Scientific Committee Member of the 8 th International Iranian Congress of Laboratory and Clinic, Tehran, Iran
2016	Executive Director and Scientific Committee Member of 1 st Seminar of Stem Cell Therapy in Neurological Disorders, Tehran, Iran
2016	Scientific Committee Member of 2 nd J Project Congress, Antalya, Turkey
2016	Scientific Committee Member of the 9 th International & 14 th National Congress on Quality Improvement in Clinical Laboratories, Tehran, Iran
2016	Vice-President and Chair of the PID Spring School, Tehran, Iran
2016	Vice-President and Chair of the Scientific Committee of 8 th International Conference on Immunodeficiency Diseases, Tehran, Iran
2016	Scientific Committee Member of the Asia Pacific Society for Immunodeficiencies (APSID) Congress, Hong Kong SAR, China
2016	President and Scientific Secretary of 1 st USERN Congress and Festival
2017	Vice-President and Chair of the Scientific Committee of 9 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran
2017	Chair of the 2 nd PID Spring School, Tehran, Iran
2017	President and Scientific Secretary of 2 nd USERN Congress and Festival, Kharkiv, Ukraine
2018	Vice-President and Chair of the Scientific Committee of 10 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran
2018	Chair of the 3 rd PID Spring School, Tehran, Iran
2018	President and Scientific Secretary of 3 rd USERN Congress and Festival, Reggio Calabria, Italy
2018	Scientific Chair of Primary Immunodeficiency Diseases Course, Reggio Calabria, Italy
2019	Vice-President and Chair of the Scientific Committee of 11 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran
2019	Chair of the 4 th PID Spring School, Tehran, Iran
2020	President and Chair of the Scientific Committee of 12 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran

2020	President and Scientific Secretary of 5 th USERN Congress and Festival
2021	President and Chair of the Scientific Committee of 13 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran
2021	President and Scientific Secretary of 6 th USERN Congress and Festival
2022	President and Chair of the Scientific Committee of 14 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran
2022	President and Scientific Secretary of 7 th USERN Congress and Festival
2023	President and Chair of the Scientific Committee of 15 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran
2023	President and Scientific Secretary of 8 th USERN Congress and Festival
2024	President and Chair of the Scientific Committee of 16 th International Conference on Primary Immunodeficiency Diseases, Tehran, Iran
2024	President and Scientific Secretary of 9 th USERN Congress and Festival

PERIODICALS (JOURNAL'S EDITORIAL)

INTERNATIONAL COLLABORATIVE CENTERS

- * Department of Infection and Immunity, School of Medicine and Biomedical Sciences, The University of Sheffield, Sheffield, United Kingdom
- * Division of Clinical Immunology, Department of Laboratory Medicine, Karolinska Institutet at the Karolinska University Hospital Huddinge, Stockholm, Sweden
- * Division of Rheumatology and Clinical Immunology, Medical Center, Freiburg University Hospital, Freiburg, Germany
- * Department of Immunology and Molecular Pathology, Royal Free Hospital & University College Medical School, London, UK
- * Department of Pediatric Hematology and Oncology, Hannover Medical School, Hannover, Germany
- * Clinica Pediatrica e Istituto di Medicina Molecolare Angelo Nocivelli, University of Brescia, Brescia, Italy
- * Department of Pediatrics, Faculty of Medicine, Toyama Medical and Pharmaceutical University, Toyama, Japan
- * Department of Immunology and Immunodeficiencies, Hospital Vall d'Hebron, School of Medicine, Barcelona, Spain
- * Division of Medical Genetics, Department of Medicine, University of Washington, Seattle, USA
- * Department of Pediatric Oncology, Hematology and Clinical Immunology, University Hospital Duesseldorf, Heinrich-Heine-University, Duesseldorf, Germany
- * National Institute of Allergy and Infectious Diseases, National Institutes of Health, Bethesda, MD, USA
- * Type I Diabetes Center, La Jolla Institute for Allergy and Immunology, La Jolla, CA, USA
- * St. Giles Laboratory of Human Genetics of Infectious Diseases, The Rockefeller University, New York, NY, USA
- * Division of Immunology, and the Jeffrey Modell Immunology Center at Harvard, Children's Hospital Boston, Harvard Medical School, Boston, MA, USA
- * Division of Immunology, Children's Hospital of Philadelphia, School of Medicine, University of Pennsylvania, Philadelphia, PA, USA
- * Center for Immunity and Immunotherapies, and the Jeffrey Modell Chair of Pediatric Immunology Research, Seattle Children's Research Institute, University of Washington, Seattle, WA, USA
- * The Department of Pediatrics and Adolescent Medicine, Medical University of Vienna, Vienna, Austria
- * The CeMM Research Center for Molecular Medicine of the Austrian Academy of Sciences, Vienna, Austria

- * The Pediatric Department, Children's University Hospital Bratislava, Comenius University Medical Faculty, Bratislava, Slovak Republic
- * The Department of Infectious and Pediatric Immunology, Medical and Health Science Centre, University of Debrecen, Debrecen, Hungary
- * Department of Pathology and Immunology, Geneva Medical Faculty, University of Geneva; and the Department of Genetic and Laboratory Medicine, Geneva University Hospitals, Geneva, Switzerland
- * The Children's Memorial Health Institute, Warsaw, Poland
- * Department of Immunology-Histocompatibility, and Specific Center & Referral Center for Primary Immunodeficiencies – Paediatric Immunology, "Aghia Sophia" Children's Hospital, Athens, Greece
- * The European Laboratory for the Investigation of Food-Induced Diseases (ELFID), Università degli Studi di Napoli Federico II, Naples, Italy
- * Department of Immunology, Azerbaijan Medical School, Baku, Azerbaijan
- * The Belarusian National Research Center for Pediatric Oncology, Hematology and Immunology, Minsk Region, Belarus
- * The Jeffrey Modell Diagnostic and Research Center in São Paulo, Brazil
- * Division of Allergy, Clinical Immunology and Rheumatology, Department of Pediatrics, Federal University of São Paulo, and Jeffrey Modell Diagnostic and Research Center in São Paulo, Brazil
- * Emory Vaccine Center, School of Medicine, Emory University, Atlanta, Georgia, USA
- * Department of Immunology, INSERM, Laboratory of Excellence (LabEx) Transplantex, Strasbourg Federation for Translational Medicine (FMTS), Strasbourg School of Medicine and University Teaching Hospitals, University of Strasbourg, Strasbourg, France
- * The Laboratory of Research, and Department of Immunology, Institut Pasteur de Tunis, Tunis
- * The Clinical Immunology Unit, Casablanca Children's Hospital, Universite Hassan II Casablanca, Casablanca, Morocco
- * Division of Pediatric Allergy/Immunology, Marmara University Hospital, Marmara University, Istanbul, Turkey
- * Belarusian State Medical University, Minsk, Belarus
- * Tajikistan National Medical Center, Dushanbe, Tajikistan
- * University of Santiago de Compostella, Spain

ORAL AND POSTER PRESENTATIONS

	Title of Presentation	Name of Congress	Date	Place
1	Primary immunodeficiency in Iran; First report of Iranian primary immunodeficiency registry	12 th International Congress of Pediatrics	October 2000	Tehran , Iran
2	X-linked agammaglobulinemia; clinical and immunological analysis of 27 patients	12 th International Congress of Pediatrics	October 2000	Tehran , Iran
3	Clinical and immunologic analysis of 52 patients with common variable immunodeficiency	12 th International Congress of Pediatrics	October 2000	Tehran , Iran
4	Primary immunodeficiency in Iran (328 patients)	11 th International Congress of Immunology	July 2001	Stockholm, Sweden
5	The clinical spectrum of respiratory diseases in patients with primary humoral immunodeficiency disorders; a survey of patients from Iranian primary immunodeficiency registry	11 th European Respiratory Congress	September 2001	Berlin , Germany
6	Lung manifestations of chronic granulomatous disease; a survey of patients from Iranian primary immunodeficiency registry	11 th European Respiratory Congress	September 2001	Berlin , Germany
7	Frequency of primary immunodeficiency in Iran	13 th International Congress of Pediatrics	October 2001	Tehran , Iran
8	A single center 20 year survey of infectious complications in patients with common variable immunodeficiency	13 th International Congress of Pediatrics	October 2001	Tehran , Iran
9	Clinical manifestations of chronic granulomatous disease, a clinical survey of patients of the Iranian primary immunodeficiency registry	13 th International Congress of Pediatrics	October 2001	Tehran , Iran
10	Respiratory diseases in patients with primary humoral immunodeficiency disorders	13 th International Congress of Pediatrics	October 2001	Tehran , Iran
11	The clinical spectrum of gastrointestinal involvement in patients with primary humoral immunodeficiency; A clinical survey of patients from Iranian primary immunodeficiency registry	British Society of Gastroenterology Annual Meeting	March 2002	London , UK
12	The clinical spectrum of infections in patients with primary humoral immunodeficiency; a clinical survey of patients from Iranian Primary ImmunoDeficiency Registry	12 th European Congress of Clinical Microbiology and Infectious Diseases	April 2002	Milan , Italy
13	The clinical spectrum of infections in patients with primary phagocytic disorders; a clinical survey of patients from Iranian Primary ImmunoDeficiency Registry	12 th European Congress of Clinical Microbiology and Infectious Diseases	April 2002	Milan , Italy
14	Primary immunodeficiencies in Children's Medical Center	6 th Iranian Congress of Immunology and Allergy	May 2002	Tehran , Iran

15	The clinical spectrum of infections in patients with primary antibody immunodeficiency	6 th Iranian Congress of Immunology and Allergy	May 2002	Tehran , Iran
16	Consanguinity in primary immunodeficient patients	6 th Iranian Congress of Immunology and Allergy	May 2002	Tehran , Iran
17	Primary immunodeficiency diseases in Iran: the report of the national registry in children and adults (440 patients)	21 st Congress of the European Academy of Allergology and Clinical Immunology	June 2002	Naples, Italy
18	X-linked Agammaglobulinemia in Iran: Clinical and immunologic analysis of 29 patients	21 st Congress of the European Academy of Allergology and Clinical Immunology	June 2002	Naples, Italy
19	The frequency of consanguinity in primary immunodeficient patients, registered in Iranian Primary Immunodeficiency Registry	21 st Congress of the European Academy of Allergology and Clinical Immunology	June 2002	Naples, Italy
20	A survey of infectious complication in 64 Iranian patients with common variable immunodeficiency	21 st Congress of the European Academy of Allergology and Clinical Immunology	June 2002	Naples, Italy
21	Clinical manifestations of chronic granulomatous disease in Iran	21 st Congress of the European Academy of Allergology and Clinical Immunology	June 2002	Naples, Italy
22	Efficacy of intravenous immunoglobulin in patients with agammaglobulinemia	14 th International Congress of Pediatrics	October 2002	Tehran , Iran
23	The study of liver enzyme abnormality in pediatrics with brucellosis in Emam hospital	14 th International Congress of Pediatrics	October 2002	Tehran , Iran
24	Frequency of primary immunodeficiencies in Children's Medical Center	10 th Meeting of European Society for Immunodeficiencies	October 2002	Weimar, Germany
25	Efficacy of intravenous immunoglobulin in the prevention of pneumonia in patients with X-linked agammaglobulinemia	10 th Meeting of European Society for Immunodeficiencies	October 2002	Weimar, Germany
26	Adverse reactions of intravenous immunoglobulin therapy	4 th Iranian Congress of Asthma and Allergy	May 2003	Shiraz, Iran
27	Human leukocyte antigen class I and II, in Iranian patients with common variable immunodeficiency	17 th European Histocompatibility Conference- 11 th Annual Meeting German Society of Immunogenetics	May 2003	Baden-Baden, Germany
28	Adverse reactions of 955 prophylactic intravenous immunoglobulin therapy in patients with antibody deficiencies	22 nd Congress of the European Academy of Allergology and Clinical Immunology	June 2003	Paris, France
29	Ear, Nose, and Throat manifestations in patients with primary antibody deficiencies	World Allergy Organization Congress- XVIII ICACI	September 2003	Vancouver, Canada
30	Molecular diagnosis of antibody deficiencies patients	15 th International Congress of Pediatrics	October 2003	Tehran, Iran
31	Iranian children with atopic dermatitis: severity scoring of atopic dermatitis, total serum IgE and eosinophil count in different age groups	15 th International Congress of Pediatrics	October 2003	Tehran, Iran

32	Prevalence of common allergens in patients with allergic disorders in the Southeast of Iran	The Week of Allergy (ISBAAR-meeting, EAACI-ENT section meeting, SERIN meeting)	November 2003	Ghent, Belgium
33	Efficacy of intravenous immunoglobulin in the prevention of pneumonia in patients with Common variable immunodeficiency	The First International Congress on Pulmonary Diseases, Intensive Care and Tuberculosis	December 2003	Tehran, Iran
34	The common allergens spectrum in South-east of Iran	33rd Annual Scientific Meeting of the Australasian Society for Immunology	December 2003	Perth, Australia
35	Pneumonia in Iranian pediatric patients with agammaglobulinemia	6th International Congress on Pediatric Pulmonology	February 2004	Lisbon, Portugal
36	Brucellosis and liver enzyme complications; A six-year study on 188 patients in Tehran	15th Congress of Iranian Internal Medicine	May 2004	Tehran, Iran
37	Survey of primary immunodeficiency patients with congenital neutropenia	The 7th Iranian Congress of Immunology and Allergy	May 2004	Mashhad, Iran
38	Primary immunodeficiency disorders and adverse effects of intravenous immunoglobulin therapy	The 7th Iranian Congress of Immunology and Allergy	May 2004	Mashhad, Iran
39	X-linked agammaglobulinemia in Iran	The 7th Iranian Congress of Immunology and Allergy	May 2004	Mashhad, Iran
40	Gastrointestinal manifestations of cow's milk allergy	The 7th Iranian Congress of Immunology and Allergy	May 2004	Mashhad, Iran
41	The prevalence of type I allergy among Zahedan Population	The 7th Iranian Congress of Immunology and Allergy	May 2004	Mashhad, Iran
42	Infections in Iranian pediatrics with Common Variable Immunodeficiency	22nd Annual Meeting of the European Society for Paediatric Infectious Diseases	May 2004	Tampere, Finland
43	Evaluation of the immune system in Iranian children with atopic dermatitis	II World Congress on Immunopathology & Respiratory Allergy	May 2004	Moscow, Russia
44	Congenital neutropenia and primary immunodeficiency disorders: a survey of 26 Iranian patients	9th Congress of the European Haematology Association	June 2004	Geneva, Switzerland
45	The comparative study between the incidence of adverse reactions following intravenous immunoglobulin infusion in various immunodeficiency disorders	23rd Congress of the European Academy of Allergology and Clinical Immunology	June 2004	Amsterdam, Netherlands
46	Human leukocyte antigen profile in the Baloch ethnic group living in the South-East region of Iran	23rd Congress of the European Academy of Allergology and Clinical Immunology	June 2004	Amsterdam, Netherlands
47	Comparision of the severity scoring of atopic dermatiis, total serum IgE and eosinophil count based on different age group in Iranian children with atopic dermatitis	23rd Congress of the European Academy of Allergology and Clinical Immunology	June 2004	Amsterdam, Netherlands
48	Clinical manifestations of Iranian patients with Cyclic neutropenia	12th International Congress of Immunology and the 4th Annual Conference of the	July 2004	Montreal, Canada

		Federation of Clinical Immunology Societies		
49	A 22-year survey of infectious complications in Iranian patients with X-linked agammaglobulinemia	12th International Congress of Immunology and the 4th Annual Conference of the Federation of Clinical Immunology Societies	July 2004	Montreal, Canada
50	Common variable immunodeficiency: Clinical and immunological features of 61 patients	12th International Congress of Immunology and the 4th Annual Conference of the Federation of Clinical Immunology Societies	July 2004	Montreal, Canada
51	Major histocompatibility complex class I and II antigens frequencies in Zaboli ethnic group living in the South-East region of Iran	12th International Congress of Immunology and the 4th Annual Conference of the Federation of Clinical Immunology Societies	July 2004	Montreal, Canada
52	Involvement of gastrointestinal system in patients with cow's milk allergy	12th International Congress of Immunology and the 4th Annual Conference of the Federation of Clinical Immunology Societies	July 2004	Montreal, Canada
53	Efficacy of intravenous immunoglobulin therapy on the incidence of pneumonia in Iranian patients with common variable immunodeficiency	14 th European Respiratory Congress	September 2004	Glasgow, Scotland
54	Prevalence of allergic rhinitis, eczema and asthma among school children in Tehran, Iran	II European Asthma Congress	October 2004	Tbilisi, Republic of Georgia
